Compact Novelties, Inc. Goes Green 7 W New York® Suite Adds Award-Winning *Full Circle Home*

(New York, NY- May 17, 2010) As purveyors of an ever-expanding collection of top quality home furnishings and accessories from all the best manufacturers, Compact Novelties takes its mission very seriously. Curators of the most innovative items for more than 65 years, they are pleased to be representing *Full Circle Home*, creators of stylishly sustainable cleaning tools. In existence only one year, three of *Full Circle's* items were honored with Design Defined Awards at the International Home and Housewares Show in Chicago last March. In their 7 W Suite, buyers can see the award-winning Reach Bottle brush, Crystal Clear glass cleaner and Come Clean natural cleaning set, items that will appeal to the ever-expanding market of green-minded consumers.

According to Susan Richman, President of Compact Novelties, "These days it's all about the environment. These helpful household tools are not only stylish, functional and clever, they're made of sustainable and renewable resources including bamboo and cellulose, a plant-based fiber."

7 W New York, Compact Novelties convenient headquarters, is quickly becoming a great source for eco-friendly products. Located at 7 W 34th Street in suite 1033, the company joins other building showrooms in prominently featuring sustainable merchandise. The Eco-Friendly Expo will be held later this month (May 25 – 27) on 7 W's 11th Floor event space. During this show, 7 W tenants will have their own booth, spotlighting their wonderful selection of eco-friendly products.
